For Circle of Care Communion in the hall there will be four Elders on duty. ECL & ECR will sit beside the minister throughout the Service, they will be joined at the Table by the two Duty Elders. The minister will serve Communion to all four Elders who will then serve bread (returning the plates to the Table), before serving the wine. The timing of the serving of the minister will depend on the particular minister's personal preference.

Updated and revised 2018.

Effective from January 2018
